Little Folks School is a Christian, play-based, independent preschool and childcare center located in Redmond. We provide preschool and childcare for children ages 2.5 – 5 years and before and after school care for elementary students in kindergarten through third grade. We are open year-round, 6:45 am-6:00 pm.

We are looking for caring and enthusiastic candidates to work with lead teachers to implement the preschool program in accordance with the policies and objectives of Little Folks School. Duties will include supervising kids in the classroom, gym, and outside; as well as assisting with cleaning, organizing, and arranging classroom and school areas.

An ideal candidate would have:

- Minimum 1 year experience teaching in an early childhood classroom.
- Excellent interpersonal skills.
- Passion for children and their growth and development.
- Early Childhood Education (CDA, AA, BA) a plus.

Job Requirements:

- Be at least eighteen years of age.
- Meet current education requirements for Assistant Teacher as determined by Washington State childcare licensing laws.
- Comfortable with the inclusion of prayer and the teachings of Jesus in classroom curriculum.

Essential Duties and Responsibilities:

- Assist with implementing curriculum.
- Develop a program that meets the needs of individual children.
- Help each child to feel love and respect for God, himself, and others.
- Communicate with parents.
- Attend staff meetings/trainings.
- Keep informed of new developments in Early Childhood Education
